# A STORY FOR THE FUTURE

## Support the Brouwerij De Prael

The social objective of De Prael beer brewery is to offer jobs to people who have had mental health challenges in the past. The sale of special beer in the pub / restaurant / shop and the tours in the brewery provide visible and meaningful jobs to them. In this brewery you can try all variations of home-made beer whilst listening to the history and the objectives of the brewery. Find out the possibilities for a tour [here](#).

## Make a difference, go plastic fishing!

Amsterdam is filled with beautiful architecture, history and culture; however, the city's canals need some help. A lot of plastic ends up in the canals from trash left behind on the streets, which eventually flows into the oceans and contributes to the global issue of plastic soup. You can help the city with the fun activity of Amsterdam Plastic Fishing. Cruise through the canals and see the sights of the city whilst leaving a positive mark on the environment. For more information on this activity click [here](#).

## Build a bike and help the less fortunate!

Learn how to build a bike with your team and learn how to work together! The bikes you build will help children in need. In the end, this is one of the most joyful moments – to see the smiles on the children's faces. Click [here](#) to sign up for this activity with your team!
